

MSEIA 2017 ANNUAL MEETING

February 1, 2017

Lyle Rawlings, President
Susan Brodie, Vice-President, New Jersey
Ron Celentano, Vice-President, Pennsylvania

New Jersey Issues

- **New Governor –**
 - + MSEIA plans to meet candidate Murphy, with help of NJ FREE partners.
 - + MSEIA has proposed comprehensive energy plan for NJ.
- **Legislation – RETA (80% by 2050)**
 - + S1707 – Passed, OK through Jan. 2018. MSEIA asking Sen. Smith to add new Solar curve, push new incentive programs
 - + A2203 Prime Sponsor Asm. Eustace is now Chair of Environment Committee!
- + Asm. Zwicker a new solar champion in Assembly
- **Legislation – “RPS Fix” bill**
 - + Changes afoot – no study commission, changes proposed to SACP (lower)

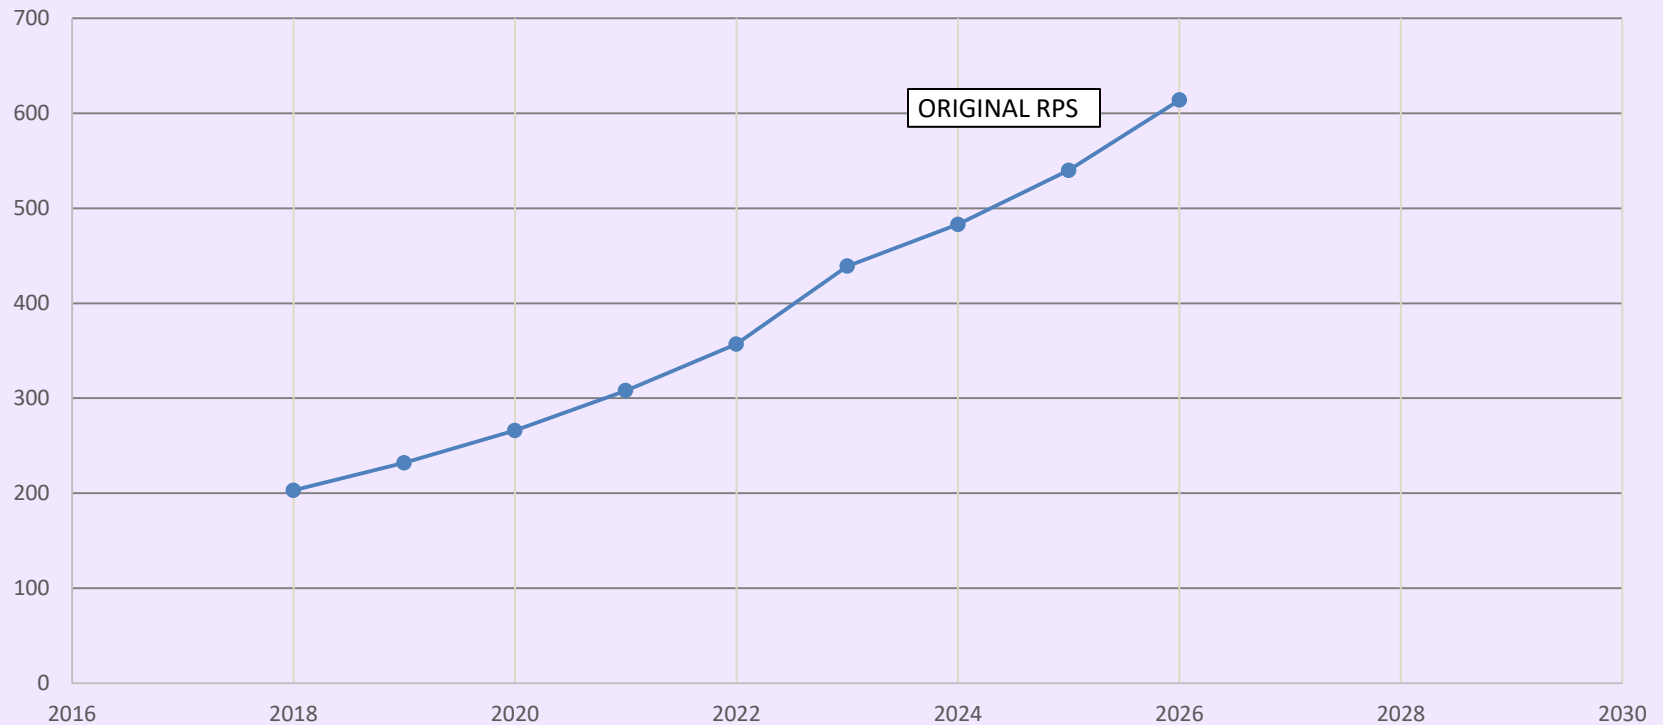

New Jersey Issues

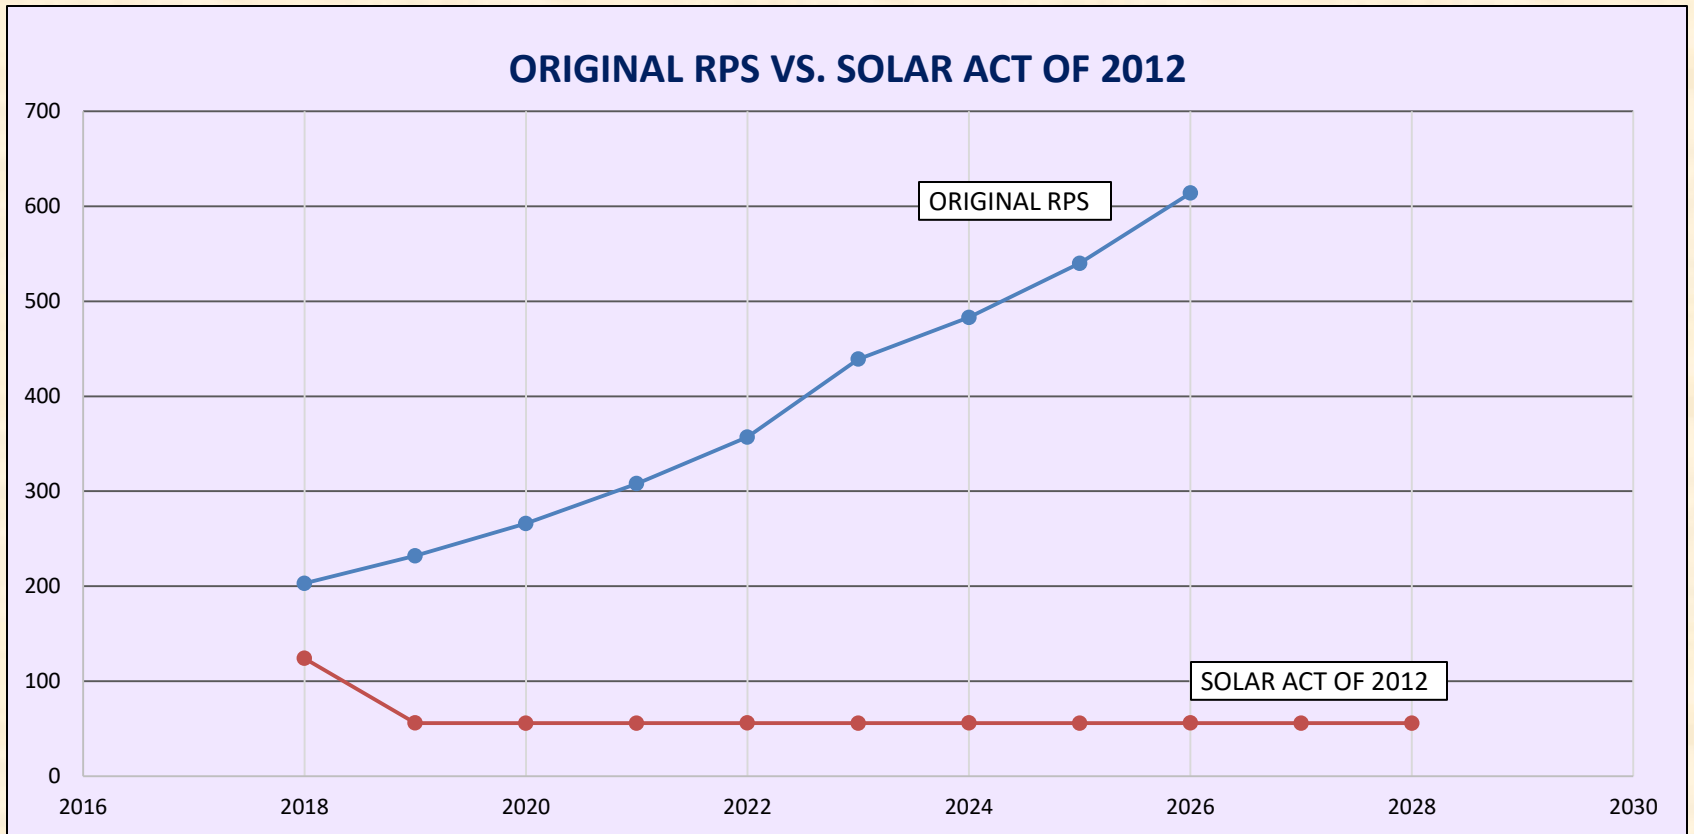

- **Other Potential Legislation**
 - + **PACE financing**
 - + **Fire Safety bill**
 - + **Battery storage bill (Senator Smith)**

MSEIA Proposed Comprehensive Energy Plan for NJ

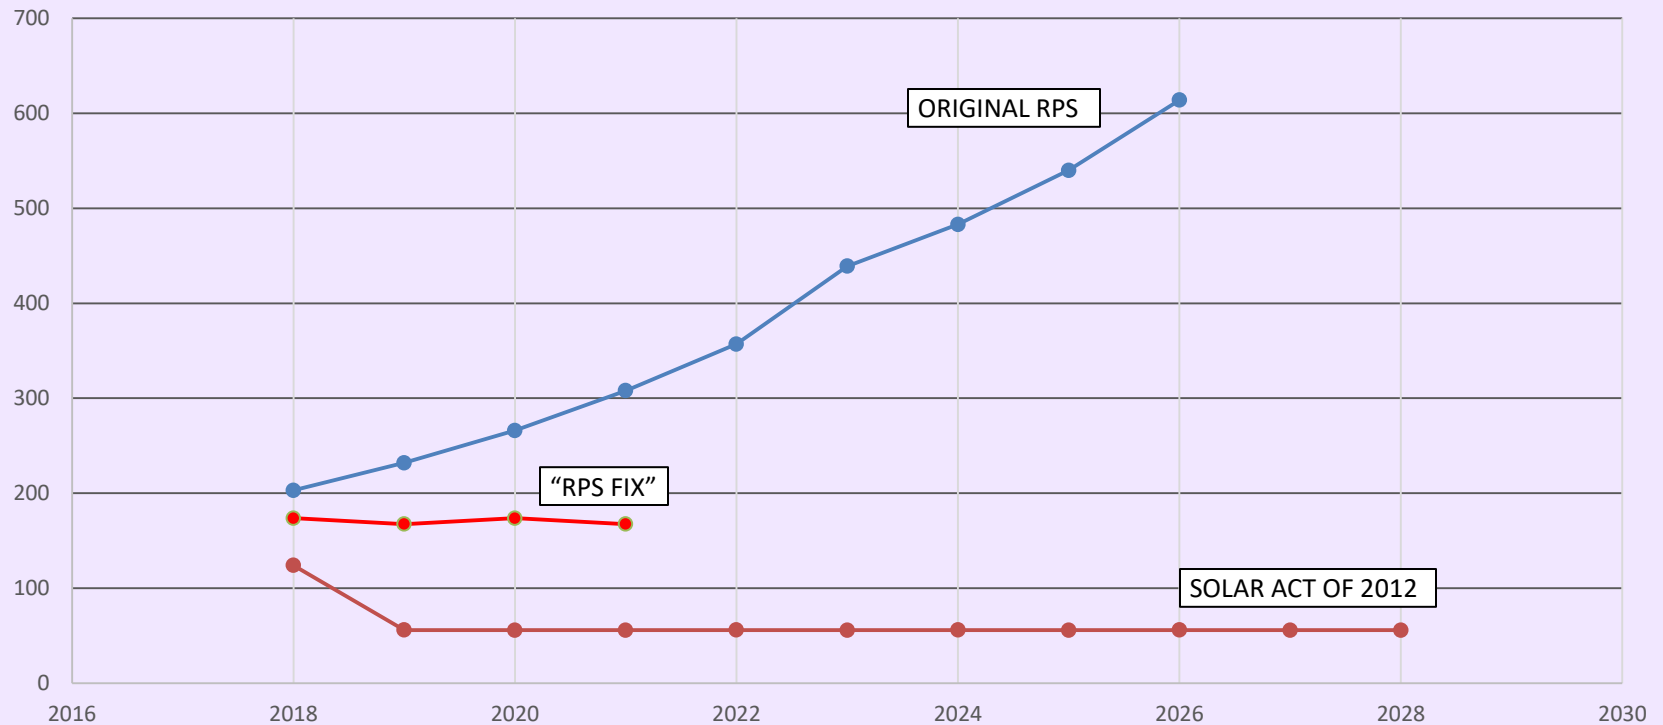

- **New solar growth curve goes to 500 MW/year by 2027, levels off.**
 - **Proposes that incremental growth goes in to two new incentive programs:**
 - + NY-style MW block program**
 - + Value-of-Solar Tariff program**
- while SREC market continues is current growth curve.**
